

Welcome to 2ND GRADE

UWCHLAN HILLS – ROOM 115

MISS CARCELLA

WELCOME

Hello! The start of the school year is almost here. I cannot wait for you to join me for the 2022-23 school year. In second grade we will start the year with learning about the importance of our classroom community and a growth mindset. On the first day of school, *please send your student with a unique something to share with the class during our first morning meeting.*

Our classroom community strengthens with parent support. I look forward to working together with all parents to make this school year individually successful for every student. I will update families often through email and Bloomz. Please feel free to reach out anytime using my contact information below.

TOGETHER we can achieve anything!
