## Welcome to my Class!

The start of the school year is right around the corner, and I can't **wait** to meet my new class! Second grade is an exciting year of growth, discovery, and building grit.

Together, we will make this an awesome year for your child! Our classroom will provide each child with the structure needed to learn in new and creative ways. We'll build a strong classroom community and support each other as we grow. Our class is a team, and you parents are an important part! I look forward to working closely with you this year to support your child's growth and development academically, socially, and emotionally. Together we CAN!

We will begin the school year by building our classroom community, establishing rules and routines, building a growth mindset, and getting to know one another. I will update you and communicate often. Please use my email, above, to reach out throughout the year.

On the first day of school, please send your child with a water bottle, healthy morning snack, lunch, backpack, and suggested supplies from the list on the left. Each student may also bring a favorite summer picture or memento, or book to share at our first Morning Meeting.

Until then, enjoy your summer!

**Here's to the start of a wonderful adventure!**

~ Kate Cool
