ABOUT ME

My name is Mrs. Laird. This will be my 7th year in 3rd grade! I live in East Fallowfield with Mr. Laird and my two boys- Will and Sullivan. We have 2 wild and crazy dogs- Fozzie and Lemon. As a family we enjoy taking the dogs for a walk, kayaking, and going out to eat. During my free time I like to read, work in my gardens, meet friends for a walk, and exercise. This summer we went to the beach, which is my happy place!

DEAR STUDENT & FAMILY

Welcome to 3rd grade! I know you are going to love being in our class! To start the year, we will get to know each other and learn what makes each of us special. Some things to look forward to as the year goes on are learning multiplication/division, experiments in Science, and hatching chicks! I'm looking forward to seeing you at back to school night in room 203 from 4:00-6:00 on August 23rd
