

Dear Students,

Welcome to 4th Grade! I'm Mr. Melanson, and I'm really looking forward to having you in our class. Did you know that in 4th Grade, we study many interesting topics and participate in many activities, such as animals, writing, social studies, electricity, intramurals, and taking a field trip? I love reading and writing!

This was a busy summer for me! I taught summer school and there were many activities that I enjoyed doing. I enjoyed hiking, traveling, and reading. I was able to travel to the Grand Canyon in Arizona! There are many animals there, including elk! What is your idea of a great vacation?

Think about a small item you'd like to share at school. (It must fit inside a lunch bag.). It can be a postcard, photograph, a souvenir, or just something that reminds you of a summer experience that you'd like to share with the class. On the first day of school, I'll let you know when to bring it in.

I'd love to hear from you before school starts. Take a few minutes to tell me about yourself and your family, and mail it to school (Mr. Melanson-Uwchlan Hills Elementary School-50 Peck Road-Downingtown, PA 19335). Tell me about your hobbies, favorite sports, and subjects. This will be a nice way to get to know you a bit before school begins. I'm looking forward to our year together. I hope that you are too! See you on August 29th!

Sincerely,

Mr. Melanson
