

Welcome to our kindergarten class! Our classroom is room 103. The start of the school year is just around the corner. I hope you are ready to have some fun this year making new friends and learning with us!

We will spend the first week of school getting to know each other. Please bring to school one small item from your Summer that you can share with the class. Place the item in a zip-lock bag with your name on it. You may take your item home after you have shared it. This might take a few days to get through everyone's show-n-tell.

As for supplies, I would like you to bring a box of crayons (any size is fine), a box of colored pencils and 4 glue sticks. We could always use some Clorox wipes and tissues for the room if you would like to donate them. You do not need a pencil box, and you don't need to label any of the supplies. No worries if you are unable to purchase some of these supplies. I have extra!

Please bring a full sized back pack and a water bottle to school each day. You will also need a larger t-shirt that can be put on over your clothes with your name written on the front and back to use in art class and other specials.

I look forward to seeing you at Back to School Night on August 23rd.

Enjoy the rest of your summer!

Mrs. Booraem
