

Dear First Grader "Super Hero",

August 2022

★Welcome to the 2022-2023 school year as a First Grader!!! You may have noticed that I referred to you as a Super Hero. Well... that is because our classroom theme is Super Hero's and we will take the year to continue to determine all of the awesome qualities that make you a Super Hero!

★I'm excited to learn about you and your family, and the things that you like to do. I have had a great time this summer playing with my son, my dogs, Spotty, the birds and going to some fun places with my family, like the beach!

Meet Laineel!

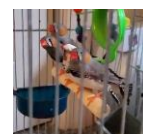

Super Hero Ryleel!

Mrs. Frosty and Dominic

Meet our classmate, Spotty!

Meet our 4 Frosty Finches!

★ As far as school supplies I will supply everything else you need for first grade! If you just can't resist the urge to buy something at the store to get ready for school, there is a list posted on the Uwchlan Hills website.

★We can always use tissues, freezer bags, dry erase markers, glue sticks, and wipes.

★Please bring an item that you would like to share with us the 1<sup>st</sup> week. This should be something that would help us get to know you a little.

★Parents: If you have access to email and could send me an email prior to school it would be very helpful. My email address is [dfrosty@dasd.org](mailto:dfrosty@dasd.org). Please include your child's name in the subject header. In your email please include:

1. Your child's bus number; especially the bus he/she will be taking home!
2. Any allergies I may need to know about.
3. If you could also share an academic and social goal that you have for your child it is very helpful. After a few weeks into first grade your child will be creating learning/first grades goals as well.

★Lastly, you will greatly help your child's first day/week of school run a little smoother if you...

★ Pack their lunch.

★ Let your child take the bus.

★ Try to attend the open house with your child on August 23rd anytime between 4-6pm.

★ Try to help your child establish routines & get a good night's sleep. They may come home extra tired & hungry as they're adjusting to the full day of school.

I am so excited to see and meet you. We are going to have a fantastic first grade year! Go,

Unicorns!

Love, Mrs. Frosty
