

August 2022

Dear Third Grader,

Welcome to 3<sup>rd</sup> grade! My name is Miss Quigley, and I am thrilled that you will be in my class this year! This will be my third year teaching in 3<sup>rd</sup> grade at Uwchlan Hills. I can't wait to learn with you this year!

Third grade is such a big and important year. You are all now one of the “big kids”, because our classroom is on the second floor. While I'm sure some of you are a little nervous to start third grade, we are going to have tons of fun!

Some highlights to look forward to this year include:

- ❖ Becoming an even better reader than you already are
- ❖ Learning your multiplication and division facts
- ❖ Exploring the regions of the United States
- ❖ Learning about the moon, sun, and earth; matter and machines; and all about the water cycle
- ❖ Switching classes for Science and Social Studies
- ❖ Hatching and taking care of chicks
- ❖ Perfecting your cursive
- ❖ Earning lots of tickets and prizes!

I encourage you to keep practicing your addition, subtraction, and even your multiplication facts, and be sure to read, read, read! Additionally, the suggested 3<sup>rd</sup> grade supply list can be found on the UH website.

I would love to hear from you! Whether it is to tell me about your summer, ask questions you have about third grade, or share a recent book you read, you are more than welcome to send me a letter at UH!

I am looking forward to seeing you at our Back to School Night on Tuesday, August 23<sup>rd</sup>, and on the first day of school on Monday, August 29<sup>th</sup>. We are going to have an amazing year! I hope you are looking forward to it as much as I am!

Sincerely,  
Miss Quigley
