Dear Fifth Grade Families,

My name is Melissa Ingemie and I'm thrilled to be your child's ELA teacher for fifth grade. This will be my sixteenth year teaching at Uwchlan Hills Elementary School. From teaching second, third, fourth and fifth grade, I've obtained a variety of skills and experiences to help meet the needs of every child.

One of my passions is reading! After receiving my undergraduate degree from West Chester University, I continued my education at WCU to obtain a Masters of Education in Reading. In addition, the past few years I have been a member of the DASD 5th Grade Curriculum Writing and Assessment teams to advocate for our fifth graders. I look forward to weaving creativity and the joy of reading into our daily lessons.

At Uwchlan Hills Elementary School, our goals and expectations are set high. I enthusiastically intend to provide each student with a challenging, exciting, and enjoyable school experience. I also strongly believe that communication between home and school is essential. Frequent and meaningful communication between parents and teachers is imperative for student success. Please feel free to contact me regarding any academic, social, and emotional concerns throughout the year. Together we will work towards the idea that all students achieve their best, each and every day, while showing respect and compassion towards self and others.

### BACK TO SCHOOL OPEN HOUSE

On Tuesday, August 23rd, we will have our Back to School Open House. Feel free to stop by our classroom, Room 216, for a quick meet and greet. Information about our school year will be posted on Schoology after Tuesday just in case you couldn't make it. August 23rd is to simply say hello and to see our classroom. Keep an eye out for more information from Mr. Giering. See you then!

### FIRST DAY OF SCHOOL

Monday, August 29th is our first day of fifth grade! I am looking forward to getting to know you and hearing about your summer! Please bring in your school supplies and your smile.
