

Summer 2022

Dear 4th grade Families,

I am very excited to be your child's homeroom teacher this year. In 4th grade, students will have different teachers for most subjects. I will be your student's reading and writing teacher.

Transition and organization skills will be a key focus during the first few weeks of school. It is also extremely important to check your child's planner each night to help your student stay on top of their assignments and activities.

You'll find a fourth Grade optional School Supply list on the Uwchlan Hills website for the supplies your student will need at school. I also suggest that your student have the following supplies at home: Multiplication flash cards; calculator (used only to check homework once it's all finished!); supply of pencils, and colored pencils.

Please feel free to contact me at any time by email during the school year with any questions or concerns you may have. We are a team and I look forward to partnering with you to help foster a successful school year for your child. See you at Back to School Night on August 23rd!

Sincerely,

Mrs. Alison Cruice
